

\*Month - April

\*1st of April

\*When is April Fools Day?

# \*What is April fools day?

- \* It is a fun day. A day to play pranks (trastadas) on friends.
- \* You can also tell jokes.
- \* This holiday is celebrated in many different countries such as England, the USA, Canada, Australia and Brazil

# \*History of April Fools Day

- \* Many people think it comes from the change to the French (frances) calendar.
- \* In the past (pasado), New year started around April 1st.
- \* But in the year 1564 the calendar was changed. January 1st became the New Year.

- \* Some people didn't like the change and still celebrated New Years on April 1st.
- \* These people were called "fools" (tontos).
- \* It became normal to play jokes on these people on April 1st.
  - \* For example people would stick paper fish to their backs.

# \*April Fools Around the World

- \*In the United States pranks last all day, but in other countries pranks can only be played in the morning.
- \*In Scotland April Fools is called Hunt-the-Gowk Day.
- \*In Denmark April Fools is celebrated on May 1st and is called Maj-Kat.

- \* In Spanish speaking countries such as Spain and Mexico April Fools is celebrated on December 28th the Day of Holy Innocents.
- \* In Portugal they celebrate by throwing flour in their friends' faces.

- \* Put food coloring in milk.
- \* Superglue coins to a floor.
